COVID-19: OPTIONS FOR THE NEED OF POWER OF ATTORNEY, LIVING WILL, OR LAST WILL AND TESTAMENT

AT THIS TIME, WE NOTE THE IMPORTANCE OF PROVIDING END OF LIFE DOCUMENTS THOUGH WE IDENTIFY THE RISK ASSOCIATED IN DOING SO. THE STATUTORY REQUIREMENTS OF WITNESSES AND NOTARIES HAVE NOT BEEN WAIVED IN LIGHT OF THE COVID-19 PANDEMIC.

Options for Drafting and Execution at this time.

- Option 1- We can draft the documents and mail them to you. Depending on the type of document and your access, you would still need to have two separate witnesses and a notary at your disposal to execute.
- Option 2 – We are happy to draft and meet with you at a later date; after the social distancing restrictions have been lifted.
- Option 3 for your last will and testament – write it yourself. Create a Holographic will. The document must:
 - State that it is your last will and testament.
 - State your whole, legal, name.
 - Be COMPLETELY hand written. (You cannot type one and then sign. If you type it up, then you need notaries and witnesses for when you sign)
 - Be signed, by you, at the end of the writing with a date after your name.
